

The Lutheran House at Chautauqua

Annual Newsletter

FALL 2019

Another great year at the Lutheran House!

Our accommodations continue to be upgraded and our guests fill our units to capacity.

None of the improvements would have been possible without the generous donations from those who love Chautauqua and the Lutheran House. Income from guest stays alone would not have allowed us to do the upgrades that have been completed during the past couple of years. Past President, The Rev. Don Green, champion fund raiser, has been the driving force behind the increase in donations. His energy and love for The Lutheran House have allowed us to make tremendous strides in improving guest accommodations.

Also, the Board, with funds donated for this purpose, established a new scholarship to increase diversity at the Lutheran House. This season we had our first family recipient with us during Week Eight. We are excited to be a part of Chautauqua's efforts to increase diversity on the grounds of the Institution.

Again, we sincerely appreciate our generous guests and volunteers for sharing their time, talents, and treasure with us. A special thank you to our host and hostess who provide top-notch hospitality to all who enter the Lutheran House. A grateful thank you to two departing Board members – Kathy Green who has faithfully served on the Board for six years,

as well as serving on Personnel and First Time Chautauquan committees and Kathy Masters who has served on the Board for three years, as well as on the Nominating Committee. Both Kathys are committed members of the Lutheran House community.

Sharon Hamilton, President
Lutheran Chautauqua Association

Our season, however, ended with the tragic loss of Jared Jacobson, longtime organist and Chautauqua resident. His devotion to Chautauqua, its music, religious programming and organ mastery is without reproach. His presence will be greatly missed.

The Lutheran House is a very special place, located in the midst of spectacular beauty and opportunity during a season of the year in which we come together to worship, fellowship, play, learn and rejoice at all God has provided. Together we provide a unique Lutheran experience on the grounds of Chautauqua Institution; together, we flourish.

God is good!

Sharon

A Note from Jerry and Sue....

Greetings Lutheran House friends,
Thank you for continued support of the Lutheran House over the past year. As some of you know 2020 will be our last year as host and hostess at the Lutheran House even though we will still be involved. We want to leave you in good hands when we leave. Every summer for the past five years we have always looked forward to seeing all of you and saying "Welcome home!"

If you have active friends at your church that would qualify as first time Chautauquan or for our new diversity scholarship encourage them to apply by Feb 1, 2020. We do not get many applications and would love to see more families or couples apply

It was an amazing experience to spend week 8 (Aug10-16) – Shifting Global power at Chautauqua. We are grateful to be the recipients of the First-Time Chautauquan scholarship 2019. It was a week of enjoyment, learning and watching kids getting independent. Our daughters Rawish (13) and Qandeel (11) joined Girls’ club where they enjoyed learning kayaking, canoeing, sailing, swimming, outdoor games and crafts. We loved to go to kid’s beach, visiting buildings, attending music concerts, orchestra practices and different programs and lectures especially Ecumenical morning worship at Amphitheater was our favorite one. My wife loved being usher at service too. It was great to listen to the interfaith lecture series. The different perspectives of different religions were amazing.

The activities at The Lutheran House were interesting and gave opportunities for the guests to interact with each other. Sunday morning worship at house, Dialogue, and Vesper service along with social hour were interesting and informative. Being family, we spent time together, played, and enjoyed long walks that are quite difficult in our busy daily lives.

A Note from Our 2019 First Time Chautauquan Grant Recipients...

Meghan, Matthew, Mason, and myself would like to express our sincere thanks to Sue and Jerry Keppel and the Lutheran Chautauqua Association for allowing us the opportunity to stay at the Lutheran House with the First Time Chautauquan Grant.

Our week spent with everyone at the Lutheran house was an experience we will not soon forget. We were able to attend many of the concerts and lectures of the week, attend worship services, and to hear the beautiful organ concerts of Jared Jacobsen, may he rest in peace.

More than any of the events, was the blessed opportunity to live in community with all that stayed at the house during week 9. We met so many wonderful people, and forged some relationships that I hope will continue for many years to come. The children's school was a great way to keep the boys occupied for a few hours during the morning, and also kept them in a routine which is very crucial to their growth. They especially enjoyed riding a bus to school for the first time, and showing off their art projects back at the Lutheran House. The hours they spent at the school afforded Meghan and I some much needed time together. It was so nice to just relax with each other, and let all the worries of the world go away for the week.

I also want to thank the Blezards, Sharron and Rob, for your support during our time at the Lutheran house. During my first sermon prep, I was able to gain some immeasurable advice to help proceed into the service of faith that I feel called to do. I will forever be grateful for our conversation, and time together.

"... I always wondered how the boys would be received, and if they would be able to find things to do. I am excited that I can now look back and say that they had an absolutely wonderful time."

Thank you for allowing me to be involved in the services at the house as well, I am always grateful to be a part of different worship services, and to see the different styles of preaching.

Preparing for the week at Chautauqua, we knew that we were going to have a fun time, but I always wondered how the boys would be received, and if they would be able to find things to do. I am excited that I can now look back and say that they had an absolutely wonderful time. I am amazed at the friendships they formed with all of the adults at the house, and also throughout the entire community of Chautauqua Institute.

From Wynton Marsalis to the Beach Boys, Bike Rides near the lake to Sunday morning worship, and fellowship on the porch to that in the kitchen, we had an experience at the Lutheran House that far exceeded anything we could have ever imagined. God is truly present in this place!

Thanks again for an amazing week at the Lutheran House at Chautauqua.

God Bless,
The Snider's

FIRST- TIME CHAUTAUQUAN GRANT

The Lutheran Chautauqua Association offers a grant each year to a Lutheran lay individual or family who might not otherwise be able to experience Chautauqua. The grant includes gate passes, one parking permit and lodging for the individual or the family (parents/guardians and includes children under 18 living at the same residence) at the Lutheran House on the grounds of the institution, as well as participation in Kids Club for children who may be eligible. The week (normally Week 6, but may be adjusted to accommodate the recipient's schedule, if possible) will be mutually determined by the Committee, the hosts of the Lutheran House and the successful applicant. Please use the application in this newsletter or request an application from Suellen Carlson by January 10, 2020. If you know a deserving Lutheran individual or family, please share the application! The fully completed application must be returned to the following address by February 1, 2020:

“The friends & family interaction of staying there adds to the uniqueness of the whole Chautauqua experience. The Lutheran House for us, like for so many others, is our ‘home away from home’” Carol Weil

“John and I and our daughter Karina have been Chautauquans for at least 15 years. We love it here. We stay at the Lutheran House because it offers a special comradery with wonderful people. We can't count on the cool breezes under our canopy of trees. Some days and nights are brutal. Thank you for finding a solution to this need for the health of the Lutheran House guests.” John & Judy Blomquist

Property Committee Report

...Jim Garofalo, Chair

The Lutheran Chautauqua Association Board completed a long list of upgrades to the house in 2019.

Don Green spearheaded the effort to obtain the approval of the Chautauqua Institution's Architectural Review Board for the window air conditioning project which included preparing a presentation, and attending two board meetings. Most of the costs of the improvement projects were covered through generous contributions of members of the Lutheran community and the majority of these contributions were solicited by Don Green. Throughout his professional career, Don Green has cultivated an extensive network within the Lutheran community. He was uniquely qualified to serve as the Lutheran House ambassador utilizing his contacts to successfully make a case for financial assistance for projects at the house. Don has announced his retirement from fund raising duties effective at the end of 2019. We all owe a great debt of gratitude to Don for the enormous impact he has had on the financial and physical condition of the Lutheran House. We will all have to pull together to continue to build on the progress of the past few years.
